

Boulder Fire-Rescue

A Notice to Tenants From Boulder-Fire Rescue and Your Landlord:

**Important fire safety information for you and your
roommates.**

- ◆ **A working Smoke Alarm can save your life by warning you of a fire, so change the battery when it chirps and never dismantle it!**
- ◆ **You may have only minutes to escape a fire. Fire is fast!**
- ◆ **Know 2 ways out of your home or apartment.**
- ◆ **Candles are the number one cause of fires in off campus student housing! Never leave a candle unattended.**
- ◆ **Check trash cans and upholstery for smoldering fires.**
- ◆ **Purchase Renter's insurance – it's inexpensive.**
- ◆ **Remember, YOU are responsible for your own safety.**
