

Revised Public Schedule for Completion of the Marshall Mesa-Southern Grasslands Trail Study Area (TSA) Plan

10/27/05

Greetings,

The revised schedule for completion of the Marshall Mesa-Southern Grasslands Trail Study Area Plan is outlined below. Our goal is to achieve the appropriate balance between visitor access / use and resource protection, and our revised schedule is intended to accommodate this goal. We appreciate all of your ideas offered to date. **The public review of the draft Trail Study Area Plan will begin when the plan is released to the public on November 4.**

We are providing additional time in our TSA schedule for:

- More analyses of selected Trail Study Area alternatives, including citizen-proposals, management of undesignated trails, possible interpretive spur trails, the overall package of trailhead improvements, and dog management provisions.
- Discussions with Boulder County on relevant trail connections and trailheads.
- Informal discussions with various community groups and the public.

Here is the revised schedule:

| | |
|-------|------------------------------------------------------------------------------|
| 11/4 | Draft Trail Study Area Plan to the Public |
| 11/15 | Public Meeting to Review Draft Plan (6-9 p.m. East Boulder Community Center) |
| 12/2 | Final TSA Plan to the Public and the Open Space Board of Trustees (OSBT) |
| 12/2 | Debrief Questionnaire to the Public |
| 12/14 | Briefing of OSBT |
| 12/16 | Public Debrief Questionnaire Response Deadline |
