

## GO Boulder - BUS

Last Updated Tuesday, 13 January 2009

```
var so = new SWFObject("flash/departments/GOBoulder/busbanner.swf", "mymovie", "590", "166", "0", "#000000");
so.addParam("wmode", "transparent");
so.write("flashcontent");
```

### Bus

Your own chauffeur.

And the opportunity to nap on the way to work.

What could be better?

Boulder's transportation network includes the Community Transit Network (CTN), a fleet of buses that transports passengers throughout Boulder and connects with regional lines. Passengers can use a variety of passes, including the Eco Pass, to ride. This site will provide you with all of the tools needed, like maps and tips, to ride the CTN throughout Boulder.

### Other Bus Links:
