Purchasing Boat Permits and Moorings

For users with active permits and/or storage in the previous year

We're glad to have you joining us for another season at the Boulder Reservoir in 2023! We've streamlined the process for purchasing boat permits and storage with online document signatures and easier renewals.

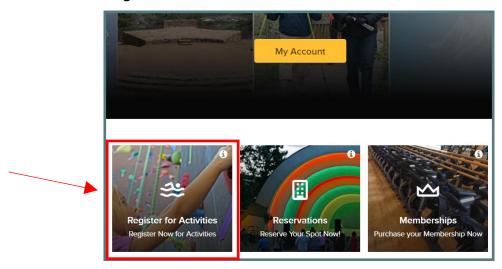

For the system to work, it's important to **follow the correct sequence of registration** as described in the following instruction sheets:

- 1. Did you have a large craft permit in 2022 and want to purchase one for 2023?
 - a. Follow <u>instruction sheet #1</u> to purchase your 2023 permit. If you are renewing multiple permits, be sure to add your permits and storage to your cart in the correct sequence, before proceeding with the next. You no longer need to complete purchase before adding additional items if you follow the correct sequence: 1 large craft permit, 2 storage or 1 large craft permit, 2 SWC permit.
- 2. Did you have a large craft permit in 2022, will renew for 2023, and want to also purchase small watercraft permit(s) for 2023?
 - a. First, complete the addition of any 2022 large craft permits as described above.
 - b. Follow instruction sheet #2 to add your first 2022 small craft permit.
 - c. If you want to purchase a second small craft permit, you **must add the first small** craft permit to your cart before proceeding with the second.
- 3. Want to renew or purchase storage/mooring space to go with your 2023 permit?
 - a. Add all permits to cart first!
 - b. Those that had a 2022 storage reservation will be able to renew the same spot they held last year.
 - c. Follow instruction sheet #3 to reserve your storage spaces.
- 4. Want to purchase or renew a facility access membership to go with your 2023 permits?
 - a. Add all permits to cart first.
 - b. Follow instruction sheet #4 to purchase a facility access membership.

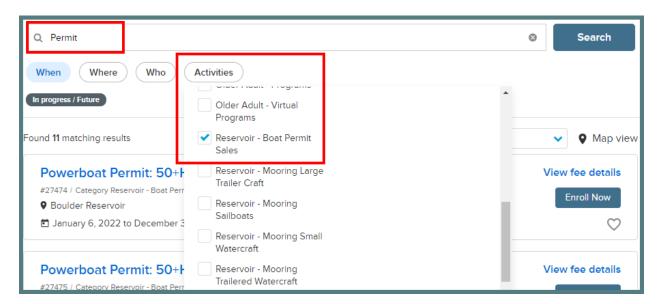

*Please note: the year indicated in the screenshots may not match the current permit year.
