

Model Glider Area

The area shown on the map below has been designated as an approved area for model glider activity.

This is the only location on OSMP property to operate non-motorized model gliders.

This area is home to ground nesting birds and agricultural operations. Please respect the no-fly restriction in this area from **May 1 to July 31**.

It's your responsibility to know OSMP rules and regulations.

For more information please call 303.441.3440 or visit www.osmp.org
