

PACE

PARTNERS FOR A
CLEAN ENVIRONMENT

**Lead has been eliminated
from paint, gasoline, and
glassware**

**Eliminate it from your
office today!**

Advantages of Lead-Free Aprons

- Lightweight (can weigh 50% less than leaded aprons) & durable
- Non-toxic and made of environmentally preferable materials
- Offer greater patient comfort
- Technicians appreciate the ease of placement and manipulation
- Life expectancy is longer when handled according to manufacturer's recommendations

Additionally, Lead-Free Aprons

- Offer equivalent protection as compared to lead aprons
- Are available in all sizes and styles, including child, adult, with neck collar and panoramic.

Lead-Free *X-Ray Aprons*

Spring 2009
